

# Rose Care

For beautiful flowering rose bushes all season long, use:

## Rose & Flower Food Plus Systemic

It is absorbed by the root system, carrying nutrients and insecticide to all parts of the plant. It will keep your roses blooming all summer while also keeping the bugs away!

### Directions:

- Apply 2 oz. per rose bush once every month (May - September)
- Scatter around the base of the plant
- Water in thoroughly (rain or hose)
